the core - hope to have a hardening
plan - implement by noon tomorrow
cruisers to stop people not to go in
without a lawful purpose. Messaging
do be sent out not to come down town.
Hodgins are arresting those that
try to enter? Springer advising them
they are not welcome. Hodgins can
be arrested under the Provincial Emergency
provisions. If we are arresting cells
will be full not prepared to manage
those numbers. Burner will discuss
and advise. Possibly a soft approach
educate discourage and if they continue
they could be arrested. RT says doesn't

1459 - Commander
Commander IE
1457 ~~IE~~ → Paul
Commander

not hurt to do this. IC to the exclusion zone? Yes to the exclusion zone and if Hull needs to go to Leirion to see those that are involved in hardening plan.

1713 IC → Cairns

advised of ask for traffic - Cairns, Hull has been asked for this and working on it any rooms for Cairns & Forgre for the night? Kay to arrange.

1716 IC → Kay

1721 IC → staffing

~~24~~ 40 RCMP for traffic and 75 in total including QRTS - IC → staffing need 8 teams of RCMP QRT from the 300 waiting at headquarters - for 0800 briefing they will be assigned to PLT's for security of PLT's delivering message.

Need to staff hardening plan will advise you when get firm plan #'s for posts no need to imbed ops w/ RCMP

Staffing are they signing in through us? Contact Michael O'Brien @ RCMP. attend 0600 to get radios and sign on and get call signs.

Staffing - need to update Fawaz

IC → Staffing can we find out how many cars RCMP have.

Disjoudy to call same for radios for ART's 1735 Planning Meeting → Groulx investigators are working on having a JP on standby for Feeney.

Traffic plan staffing needs will be sent to planning team

Tow plan - officer to assist w/ tow and then escort tow out

Taylor - ~~is~~ medical plan? negotiation plan?

street cleaning, barriers, OED, child care

plan - Taylor do not think a number to call is good enough - a van w/ blankets to hold them? Social media messaging quote the acts the enforcement. Emergency redeployment plan for any backlash PBrud to be linked in. Known Intelligence ID - PLT's only wearing normal clothes w/ vests > everyone needs to know & this OPS PLT's are in uniform - OPP do not wear uniforms and command needs to know need a plan for Coventry. There is going to be a judicial enquiry need written plans to present.

IC - This is monumental for all of us there has some big asks made just now and thank you for all your help.

Graultx - trying to bring everything under one roof. Staffing is getting push back need to smooth this out.

Taylor - Consolidated briefing may not be possible but everyone needs the same briefing. Planning meeting 0800 tomorrow in mess hall.

1750 - Staffing IC

Staffing - Underwater - O'Brien advising there is no one at REMP that has not already been deployed. - Command advised Bernier 2 CIC's need to be here for weeks and 2 OPPCIC's to be brought back from UK and Planning advised that POU plan not complete Carson Hardy - he advised that REMP have already been deployed - Hardy from staffing given had those numbers - IC please advise if you find the in Hardy advises to go through the process

with Springer to get IC's
Paul Burnett spoken to regarding 2 CIC's
to be called back for the weekend.

1809

- going to speak to Springer, Bernier
and ~~Lee~~ Lee regarding hours for CIC's
Springer advised of need for 2 CIC's from
OPP - going to discuss the need and
the hours - IC can we ask REMP Command
that is a possibility. -

1817

Command need for CIC for possible
barricade or barricade w/ hostage
- Command advises all PLT including
OPP to be in uniform -
REMP, OPS, OPP - strategic Command to
be asked in regards to OKT's for PLT
security.

1820

Commander -

Unified Command may be stood up
24 hours as of tomorrow. ~~that~~
- for barricaded have enough tact teams
for 4 barricaded persons

1827-

Command - Bernier -> Springer - 4 CIC's
2 for days 2 for night's? 1 CIC dedicated
already - 1 for any other incidents.
from Springer - 2 CIC's from OPP not
a problem.

Command can we get OPP negotiators?
Springer if we want them we can have them
Command need to provide that asset
if required. Springer we can make that
happen. Command can have OPP
negotiator team already as well
CIC's can be a 10 hour shift day night
w/ overlap.

25/28

Springer - in regards to PLT engagement C

with next target will probably not be doing this.

In regards to 300 RCOMP there is no one left to deploy. - SC-70 doing traffic points the next QRT's w/ an OPS member

In regards to integrated briefing it is in the works

1841 Null -> Command Alexandria Bridge has been open 0600-1000 every morning for traffic - Cotronneau monitors access from their side -

1850 - IC

spoke to REDACTED ^{SUP} Craig McGuinness from OAC will be here 0800 hrs - will get him a pass - to do med emerg planning.

1858 -

CIC issue. Command OPS negotiator w/ OPS CICXZ and OPP negotiators w/ their CIC - nighty Day.

1904

Speaking w/ Phil Lue in regards to RCOMP deployment - IC yesterday deployed 217 Lue - deputy RCOMP said that they will find more resources - Phil Lue making the ask for more RCOMP resources.

IC to Command my concern is what you are asking me for PLT for tomorrow who will man that. Command to Springer - can OPP help - will make the ask for traffic/rovers to take it PLT says they are only required until 1200 hrs starting @ 0800 - IC - cannot take off existing positions - no this would be new guys.

1916

Basically as of tomorrow everyone on the same radio - working on same site, moving logistics vehicles to free up parking

1917

advised Groulx may be doing CIC over the wknd and will be replaced by Groulx or Leblanc and advised of expecting hardening plan

1920

Traffie Cairns & Forgie did find rooms for tonight

1927 IC → Invest.

In regards to CVRO it could take ~~4~~ more the 7 days to get that ^{truck} ~~car~~ back due to applications to get it back. Hodgins agrees just now and don't take the plates - keep the messaging as a warning that it could happen - Hodgins do not want to keep these trucks

1934 IC Traffic OPP

- briefed on discussion on CVRO with investigators - we do not want trucks tow and release. - Traffie - Forgie to do up document stating secure tow and release do not want extended ownership of truck. #

1948 -

Command advise can use Maloney & Zackarias to Command Centre for the weekend - and if Maloney can not take the call divert CIC from Command Samuels & Sherry.

Command - IC call Lemieux to stand up a negotiator team

1954 OPP Springer

1 OPP CIC 1 OPS CIC ~~rights~~ 14 hour and 1 negotiator team to go through until at least Monday night time one not required.

Command Days Friday Saturday Sunday & 5 CIC operation - Maloney to go to Command Centre on days 5

27/28 954 Springer

Matt Worlock OPP CIC and will

2000hrs

arrange team of 3 negotiators
Burnett coming in on nights tomorrow
and IC advising of proposed plan

2004

IC will send email to cover City
to Zackarras & Maloney.

2021
